Star of the week

Star of the week

For joining in with all carpet sessions
this week and sharing his ideas.

We hope you have a good holiday. Thank you
for your support.

Miss Marney, Mrs Dawson and Miss Yasmin.

This week in Reception we have been looking at stories about Monsters. The children have been writing monster profiles, talking about their favourite monster and have used the Interactive Whiteboard to draw their own monster. We have also been on a local walk to the Garden centre. We bought lots of seeds, pots and compost to use next half term and also had a chance to look at some of the animals. There were fish, bearded dragons, turtles and even snakes!! Please have a look at our new website for information, news and pictures.

After the holidays we will be writing letters in Literacy. We will be reading the books 'Greenpeace' and the 'Jolly Postman.' The children will be writing their own letters and will have the chance to send a letter and post it. The topic we will be learning about is 'growth and change'. The children will be planting seeds and bulbs in the allotments and outdoor areas and learning to look after them. The children will also need their PE kits for the first week back.
